Digital Animation Major

Kennesaw State University, Morrow GA (August 2015 - December 2017)

Core Studies

Computer Apps

- Adobe Photoshop
- Adobe Illustrator
- Toon Boom
- Storyboard Pro
- Microsoft Office

Work Experience

Uber Driver (2020-present)

Part-Time Employee

I pick up whoever requests a ride from the Uber app from point A to point B anywhere in the state. I have the ability to pick up riders who requests an Uber XL ride. Most rides usually take up to 10-30 minutes, while some take around an hour.

Cabinets by Design (2016-2018)

Part-time Employee

I assist in installing cabinets, countertops or wall/ceiling-board décor in places such as libraries, schools, hotels and hospitals. The job required making measurements, following the project plans, and lifting/moving heavy materials and equipment. Most projects take place within the state, while some require business trips outside of the state.

Professional Development

- Global Game Jam, Kennesaw State University, Marietta, GA (2018)
 - Spending an entire weekend with a group of students making a demo computer game.
 - I was in charge of character and background design and drawing out the cut-scenes.
- Art Instruction Schools, Minneapolis, MN (2015)
 - Outside art course that delivers the lessons and assignments about drawing and painting.
 - The principles of design, the elements of art, perspective, lettering, inking, perspective, etc.

Membership

- Animation Studio Society. Kennesaw State University, Kennesaw, GA (2017-present)
- Anime Club. Clayton State University, Morrow GA (2015)
